SUBTLE YET RELENTLESS PURSUIT OF THE GOAL

PLEASE INTRODUCE YOURSELF & MAKE A DIFFERENCE

The BraveGoals & BraveSaves Mission:

- Promote awareness, tolerance & acceptance for kids with autism
- Help provide for the educational & social skill enhancement of kids with autism & play a part in allowing them to reach their full potential
- Mentor LAX & other sport teams* across the region to use the **BraveGoals4Autism** program to raise funds for autism & their own booster clubs
- Recruit "non-LAX" students to volunteer and make a difference
- Reach our "Brave Goal" of raising \$100,000 in 2012 for local autism programs

*Elementary thru high school volunteers are needed for
EASY, FUN AND REWARDING COMMUNITY SERVICE*

95% of the student volunteerism is performed using Facebook & includes great perks, including a BraveGoals T-Shirt & a letter of recommendation for college & a job. Also great for those who need to perform community service for their confirmation, bar/bat mitzvah or school. For those who consider themselves a leader & are willing to put in additional "sweat equity", executive titles are also available.*
